

2019 Air Systems International - Literature

All literature and videos may be found at: www.airsystems.com

Catalogs

1. 2018 Master Catalog (V2 – includes Prop 65 warnings)
2. 2018 Spanish Catalog
3. 2018 Fire & Rescue Catalog
4. Air Systems Product Line Card
5. Paint and Blast Product Line Catalog
6. Hazardous Location Product Line Catalog
7. Custom Shipyard and Military Facility Products Catalog
8. Custom Products & Engineering Services Brochure

Grade-D Air Filtration (Supplied Air)

1. Fundamentals of Respiratory Protection
2. Breather Box[®] - The Industry Standard in Grade-D Air Filtration
3. Breather Box[®] - Grade-D Air Filtration Comparison Guide
4. Blast-Air[™] Cart - OSHA Compliant
5. Cool-Box[™] - Respiratory Heat Stress Prevention
6. Portable CO Monitor - 14LAC
7. EXALM Alarm - Audible and Visual Alarms for Hazardous Locations

Confined Space Ventilation

1. Confined Space Ventilation Basics - Controlling & Removing Static Electricity During Confined Space Entry Ventilation
2. Estimated Purge Time Chart
3. Estimated Purge Time Chart - Spanish
4. The Saddle Vent[®] & Ventilation Kits - Confined Space Entry Do it Right The First Time
5. CVF Axial Fan Product Line Brochure
6. Explosion-Proof Plugs & Receptacles
7. Blower Selection and Purge Time Charts
8. Blower Selection Flowchart

Portable Area / Scene Lighting

1. Air-Light[™] & Air-Light[™] II Brochure
2. Portable Area Light Run Time

Environmental Control

1. Fume-Air[™] - Welding Fume Extractor Comparison Guide

High Pressure Breathing Air

1. Breathing Air Transporter[™] (BAT) Brochure
2. Breathing Air Transporter[™] (BAT) - Setup Brochure

Case Studies

1. Confined Space Ventilation to Meet the Confined Spaces in Construction Standard
2. Case Study - Confined Space Ventilation Safety Compliance
3. Case Study - Respiratory Airline Safety Compliance

2018 Air Systems International - Videos

All literature and videos may be found at: www.airsystems.com

Grade-D Air Filtration (Supplied Air)

1. Understanding Supplied Air Systems
2. The Breather Box® & Fixed Filtration Systems
3. The Blast-Air™ Cart for the sandblast, paint, and coatings industries
4. Grade-D Air Filtration Systems Filter Change
5. CO & CO/O2 Airline Monitor Sensor Change
6. CO & CO/O2 Airline Monitor Calibration for Air Systems International Monitors

Confined Space Ventilation

1. Confined Space Ventilation
2. Selecting the Right Blower for Your Job
3. The Saddle Vent® - Confined Space Ventilation
4. Pneumatic Air Powered Centrifugal Blower (SVB-A8)
5. Gasoline Powered Centrifugal Blower (SVB-G8)
6. Electric Centrifugal Blower (SVB-E8)
7. Explosion-Proof Electric Centrifugal Blower for Hazardous Locations (SVB-E8EXP)

Portable Area / Scene Lighting

1. The Air-Light® DC Powered Area / Scene Lighting System
2. Air-Light® II - DC Powered Portable LED Light

High Pressure Breathing Air

1. The Breathing Air Transporter™ (BAT) in use
2. The Breathing Air Transporter (BAT)

Other Videos

1. Fume-Air™ 750 HEPA Fume Extractor
